FILLING YOUR SHOES

One of the moments as a parent that never stops touching us, never fails to make us smile, is when we see a small child put on Dad's or Mom's shoes. They struggle just to keep their small feet in those big shoes, much less really go anywhere in them. My guess is small children have been trying to walk in Daddy's shoes ever since Daddies have been wearing shoes. Have you ever wondered why they all do that? It seems to me, in their mind, Daddy or Mommy is bigger than life, and can do anything. They want to be like Dad or Mom. Jesus calls us, as his followers, to step into his sandals and walk with Him. We need to understand, God calls us to be "like" Jesus. Are you trying to walk in the steps of the Savior? I hope so!

A SACK OF POTATOES

A Bible school teacher once told her students to bring a clear plastic bag and a sack of potatoes to class. For every person that they refused to forgive in their life experience, they were to choose a potato, write that person's name and the date on it and put it in the plastic bag.

They were told to carry the bag with them everywhere for one week, putting it beside their beds at night, on the car seat when driving, on their laps when riding with others and next to their desk at school.

Some of the bags became quite heavy. The hassle of lugging the bag around made it clear what a weight they were carrying spiritually, and how they had to pay attention to it all the time to keep from leaving it in embarrassing places. Naturally, the potatoes became moldy, smelly and began to sprout "eyes."

Too often we think of forgiveness as a gift to the other person, and it clearly is for ourselves! To forgive unloads what would otherwise become a heavy, rotten burden.

"Bearing with one another, and forgiving one another, if anyone has a complaint against another, even as Christ forgave you, so you must also do" Col. 4:13.

Dear Friends,
Thank you so very much for all your support and prayers. We have been so blessed with such an outpouring of support that we know it could only be the work of GOD. We thank GOD for everything he has done and for crossing our paths. Words cannot describe how thankful we are for everything. Thank you again, so very much.

God's grace and peace to you through the cross of Jesus Christ.

Sincerely,
The Henry Family

Dear brothers and sisters who meet here,
We want to thank you all so much for all your wonderful welcomes. We especially thank you for the recent "pounding." You have all been so kind and loving. Thanks for the letters and cards, words and hugs. We really feel the blessings of God's family here. "Thanks be to God for his indescribable gift," 2 Cor. 9:15.

Our Love to you all in Christ,
Dale and Elnora Dennis

Humor

A young boy was waiting after church for his family. The minister saw the boy standing there and thought he would strike up a conversation. He said, "Young man, if you can tell me something that God can do, I'll give you a big shiny apple." The little boy thought and replied, "Mister, if you can think of something that God can't do, I'll give you a whole box of apples."

Love

When my grandmother got arthritis, she couldn't bend over and paint her toenails anymore. So my grandfather does it for her all the time, even when his hands got arthritis too. That's love. Rebecca - age 8

Love is when you tell a guy you like his shirt, then he wears it everyday. Noelle - age 7

Love is when Mommy gives Daddy the best piece of chicken. Elaine - age 5

A MOTHER'S INFLUENCE

While waiting in the checkout line at the supermarket, I noticed an elderly woman who was struggling to stuff her groceries into a net shopping bag. I offered to help and we chatted while I repacked her purchases. Just as I was about to return to my place in line, she took my hand in hers and with a warm smile, said, "My compliments to your mother."

Love

You really shouldn't say "I love you" unless you mean it. But if you mean it, you should say it a lot. People forget.
