A PRAYER FOR OUR ELDERS

Our Father, let me be a pillar of strength to our elders— not a thorn in the flesh to sap their strength, nor a burden on their back to pull them down.

Let me support them without striving to possess them. Let me lift their hands without placing shackles upon them. Let me give them aid that they may devote time to saving others and less time to gratifying my vanity.

Let me see them as shepherds of the whole flock, not compel them to spend precious time bragging on me. Let me be unselfish in what I do for them, not selfish in demanding that they do more for me. Let me serve church more, happy that they serve me less.

Let me receive not an accusation against them except at the mouth of two or three witnesses. Help me to be merciful in judgment upon them—for I have never walked in their shoes. Help me, Lord, to be a Christian at all times that their work may be made easier and my own soul may be brought close to Thee. In the name of Christ Jesus our Lord is this petition offered unto Thee. Amen.

BULLETIN DIGEST

“WHY DID GOD ALLOW THAT?”

Have you ever heard anyone ask the question above? It seems that when problems arise in a person’s life, they want to blame God instead of understanding the fact that it is Satan himself that causes the bad things to occur in the world. The world suffers the consequences of actions not related to what God does; rather the consequences are a direct result of disobedience to His word.

SIN was brought into this world by the deception of Satan from the very beginning of man. I recently read an article that said “built into obedience to Satan are automatic consequences, not as a direct punishment brought by God, but as the inherent result of sin.” Satan is called many things in the Bible. In Rev. 12:9 he is called the “*deceiver of the world.*” In John 8:44 he is referred to as the “*father of lies.*” The Bible is filled with other descriptions of Satan such as the evil one, liar, murderer, enemy, etc. I know we could think of several examples of Satan’s work among us. The drunk driver who kills an innocent driver is a direct result of the consequences suffered when an individual compromises God’s teaching on alcohol. The thief who kills an innocent victim is a direct result of someone violating the teachings of God on murder and stealing. Many other examples can be given, but the

key is we need to recognize that Satan is active among us and learn to combat the things he would have us do that are contrary to God’s will.

We all need to remind ourselves of the words found in Eph. 6:10-20. Let us all examine our lives and make sure that we will not have to suffer the consequences of our own actions when we directly violate God’s will.
